## About the School

### We are the TES Independent Senior School the Year 2021.

***"Teaching here is all about being able to have in-depth conversations with students about your subject and helping to enthuse them with the same passion as you have. Teaching at NHEHS is exactly what I imagined teaching would be like when I got my first teaching job; it's what teaching should be!"***

***-A recently appointed Head of Department***

Notting Hill & Ealing High School is one of London's leading independent girls' day schools. Founded in 1873, it is the oldest of the 25 schools which make up the Girls' Day School Trust (GDST), having begun life in Notting Hill and moved to Ealing in 1930. We are an all-through school (ages 4-18). Around 300 girls in the Junior School and 600 in the Senior School, including 150 in the Sixth Form, make up a friendly and welcoming community. The Junior and Senior Schools occupy their own parts of the site and in day-to-day terms operate independently. We occupy a site in suburban, leafy, west Ealing with excellent transport links (easy walk or bus ride from Ealing Broadway or West Ealing stations; on the District and Central underground lines, mainline trains and Crossrail). The school is oversubscribed and a very popular choice at all ages with girls joining us from most parts of West London as well as areas further afield.

NHEHS is an academically selective school. Our girls are ambitious, bright, enthusiastic and eager to learn. In our latest ISI inspection, we achieved the highest possible grades across the board and the inspectors noted that 'the quality of the pupils' achievements and learning is exceptional'. Public examination results are consistently outstanding and girls go on to study a wide range of subjects at prestigious universities including Oxford and Cambridge. The school is highly regarded for the way it achieves its outstanding outcomes within a particularly warm and supportive environment, and pastoral care and achieving the best for every girl is at the heart of everything we do.

## About the GDST

GDST schools share an ethos and heritage of girls-only education and are members of a unique network which adds value to each school, student and member of staff. Networking opportunities with other colleagues across the Trust enable staff to share best practice and develop initiatives that benefit all our schools and students. In addition to supporting the work of individual schools in supplying excellent induction and development opportunities for staff, the GDST network provides access to an extensive training programme. This includes development opportunities (including a Middle Leaders' Development Programme and Aspiring Leaders Programme) and grants for individual courses of study.

***"We are delighted that you are considering NHEHS and hope that you will want to apply for this post once you have found out more about us. Our website, [www.nhehs.gdst.net](http://www.nhehs.gdst.net) will tell you more about the school and give you a taste of the atmosphere here."***

## **Part Time Teacher of German 0.4 or 0.6 FTE (with flexibility for the right candidate)**

### **The Post**

The post is available part time from September 2023.

The vacancy provides the opportunity for a well-qualified, inspirational Teacher of German to teach throughout the Senior School to A Level, delivering an outstanding quality of learning and teaching.

### **Person Specification**

We are looking for a well-qualified candidate with excellent subject knowledge and a passion for the subject. They will have excellent organisational and time management skills and the ability to produce creative solutions to challenges. They will be a good communicator who can enthuse and inspire both pupils and colleagues and will have exciting ideas about the teaching of German and ways in which girls can be inspired both within and outside the curriculum. The ideal candidate will be fully committed to the vibrant extra-curricular life of the school.

### **The MFL Department**

The Modern Languages Department consists of five full-time teachers and five part-time teachers. We also work with part-time language assistants. The results at GCSE and A Level are outstanding, with regular success at Oxbridge Level. The girls are expected to achieve a high level of fluency and accuracy. All girls study at least one language for GCSE and A Level is a popular choice. The department has seen significant expansion in recent years with Mandarin now being studied by all girls from Year 1 in the Junior School and offered all the way to A-Level.

All members of the MFL Department teach across the age and ability range and some teach several languages. MFL is taught by language specialists and the department sets high standards. Each member's contribution helps to make the team successful. All teachers within the MFL Department are encouraged to use as wide a range of teaching methods as possible in order to maximise the opportunities for pupils' enjoyment, effective learning and to ensure the development of specific skills. Flexibility of approach to teaching is encouraged in the department. As a general rule, MFL classes throughout the school are held, to the greatest practicable extent, in the target language. In class, pupils are encouraged and trained to communicate in the target language, not only with the teacher but also with one another and develop their cultural knowledge. There is also a strong culture of sharing and developing good practice.

The department has a set of rooms dedicated to the teaching of MFL including a fully-equipped language lab. This is backed up by the generous IT provision and support, which the school enjoys. There are individual laptops and students have their own Chromebooks and we are continually developing students' use of new technologies, in order to enhance their learning. We use Google Classroom as an online platform.

### **Extra-curricular provision**

The MFL department provides a weekly support session run by designated teachers and Year 12 subject representatives to offer assistance to pupils who need extra guidance. The department also offers several educational day trips, competitions and residential trips. Below is a selection of some of what we offer:

### **Years 8 and 9**
