*Universities
and Careers Support*

Specialist one-to-one support like no other

We will support you in **THREE WAYS:**

- 1 Helping you get the **BEST GRADES**, to open doors
- 2 Guiding you to the **BEST UNIVERSITIES**, where you will thrive
- 3 Ensuring you have the **BEST SKILLS**, for your career after university.

"We maintain a network of contacts at top universities, from Oxford and Cambridge to Imperial and St Andrews, to ensure that students are given the most relevant advice for their applications"

- MS COPIN, DEPUTY HEAD (ACADEMIC)

Higher Education

Our superb team supports you every step of the way with expert guidance:

- Personalised support via the Director of University Admissions, the Sixth Form team, and the Senior Leadership Team
- **Individual academic mentoring sessions** from subject specialists from Year 12
- Free access and training to the **best-in-class Unifrog platform**
- Access to advice from Old Girls currently at university via our **Alternative Prospectus** event.
- Bespoke preparation for University Admissions
 - three mock admissions tests with full feedback
 - two rounds of mock interviews
- GDST workshops, training courses and networking
- In-school presence from all Heads of Department and Senior Leadership at 8am on **A Level results day**, with bespoke action plans for every student based on the results they achieve

Expert programmes for:

- **Medicine and Dentistry**, including work experience and specialist courses
- **Degree Apprenticeships**
- **European University applications** (including France, the Netherlands, Italy, Ireland)
- **American University applications**, with free one-to-one external counselling which includes advice on scholarships and financial aid
- Highly-successful **Art Foundation portfolio preparation** sessions

Careers and Skills

"From CV building to public speaking to specific programmes to develop high-performing entrepreneurial nous, the NHEHS Sixth Form is the place to get Real-World-ready" - Suzanne Foster, Teaching Fellow at the Henley Business School Executive Leadership Programme

"I was struggling to find veterinary medicine work experience: within a week, the school had found a vet who not only welcomed me to her practice in the Midlands but also offered me accommodation! This made all the difference to my university application." - Tatyana, 2023 leaver

Support ranges from events to bespoke support:

- The annual NHEHS Careers and Skills Convention, on
 - acing Job Interviews
 - impactful CVs
 - effective networking.
- the biennial NHEHS Careers Fair with experienced professionals from 'traditional areas' as well as entrepreneurs and individuals at the cutting edge of Future Careers
- the weekly Careers Spotlight Lecture Series with opportunities to meet alumnae and external speakers

"Mrs Collins goes above and beyond. She spent hours with me on my application, in addition to all the support I received from my subject mentor."

- A CURRENT YEAR 13

- the World Ready Skills Programme: everything from time-management to financial skills
- One-to-one meetings with the Head of Careers, supporting you with relevant work experience, and training programmes, qualifications and internship opportunities
- Mentoring and advice from GDST Alumnae and our parent community.
- The Monthly Careers Bulletin that highlights training and work experience opportunities

The mini-MBA in Business, Leadership and Enterprise

This qualification was developed by NHEHS with colleagues from Henley Business School and is certified by the University of Buckingham. This unique course brings together the best aspects of Business Management, the most progressive learnings on leadership practice, and an enterprise challenge. Students can also take part in the national Tycoon Enterprise challenge.
